

## SP-621

### Water Soluble Industrial Cleaner

**SP-621** is an industrial strength water-based parts cleaner and degreaser that can be used on aluminum, stainless steel, titanium, and various types of plastics, such as polypropylene, polyethylene, and polyvinyl chloride (PVC).

**SP-621** rapidly cuts through grease, oil, and dirt. It can be used in dip, immersion, ultrasonic, low pressure spray, as well as spray-and-wipe applications.

**SP-621** is based on a readily biodegradable surfactant system and organic soil dispersing agents that deliver low surface tension for enhanced cleaning.

- Non-irritating to skin
- Cleans without butyl or other solvents
- Superior penetration for the removal of oil, grease, and dirt
- Able to clean without agitation
- Pleasant odor
- Low streak/smear
- Excellent rinsing properties
- Phosphate free
- Will not dull surface
- Can be used from ambient to 150°F

**SP-621** can be diluted with water in any proportion. It does not contain any insoluble materials and will not clog cleaning equipment, even at high concentrations. For general degreasing/maintenance cleaning, a concentration of 3-5 percent is recommended. Higher concentrations can be used for removing difficult soils.

For additional information concerning **SP-621**, refer to its OSHA MSDS or contact Producto Chemicals at 1-734-422-2010 for specific recommendations.

#### TYPICAL PROPERTIES:

Appearance:	Clear liquid
Odor:	Chemical
pH (Concentrate)	11.5
pH (5%)	10.2
Specific Gravity:	1.03
Density:	8.6 pounds/gallon
Foam Character:	Moderate

11/08

#### WARRANTY:

Producto Chemicals will grant credit on any product which proves defective in material or workmanship as determined by us subject to the following conditions: all material is subject to our inspection prior to issuing credit; any refund will be adjusted based on the volume of product used; no credit will be granted for used or unused product(s) over one year old as determined by the batch number; no credit will be granted for product placed or stored in a bulk storage tank, mixed with other material or batches in a bulk storage tank or for any material not in original container. The terms in this warranty do not in any way extend to any product thereof covered by this agreement, which has a life, under normal usage, inherently shorter than the one-year period indicated above. Except as set forth expressly in writing herein, there are no other warranties express or implied in respect of any product.

No warranty of merchantability or fitness for purpose shall apply.

#### LIMITATION OF LIABILITY:

Under no circumstances shall we or any affiliate of ours have any liability whatsoever for loss of use or for any indirect or consequential damages.
