

SP-743

Parts Cleaner Concentrate

SP-743 is a liquid cleaning compound and corrosion inhibitor designed for the removal of coolants, machining fluids, and honing oils from machined metal surfaces.

SP-743 will provide corrosion protection to ferrous and non-ferrous metals. In addition to preventing rust on cast iron and steel, it is extremely effective in the prevention of corrosion and staining on aluminum. This makes **SP-743** especially suited for use in washing aluminum engine blocks, heads, and aluminum transmission parts and cases. **SP-743** also prevents the corrosion of brass and bronze, both on parts and in washer components.

- Enhanced wetting and sheeting characteristics
- Broad range of corrosion inhibition
- Low foaming
- Oil-rejecting, which enhances washer cleanliness and extends solution life
- Heat stable, therefore it with neither break down or lose corrosion protection at elevated temperatures
- Does not contain EDTA, NTA or related materials
- Phosphate, silicate, silicone, and nitrite free

- Responds readily to conventional waste treatment procedures
- Non-corrosive
- Non-combustible

SP-743 is normally used at concentrations of 3-4% at ambient temperature to reduce the formation of residues through evaporation of water from hot surfaces. For additional information concerning **SP-743**, refer to its OSHA MSDS or contact Producto Chemicals at 1-734-422-2010 for specific recommendations.

TYPICAL PROPERTIES:

Appearance:	Clear
Odor:	Chemical
pH (Concentrate)	10.8
pH (3%)	9.5
Specific Gravity:	1.14
Density:	9.50 pounds/gallon
Foam Character:	Low
Residue:	Clear, soft

AUTOMOTIVE APPROVALS:

Ford Tox # 173612

Rev.2/07

WARRANTY:

Producto Chemicals will grant credit on any product which proves defective in material or workmanship as determined by us subject to the following conditions: all material is subject to our inspection prior to issuing credit; any refund will be adjusted based on the volume of product used; no credit will be granted for used or unused product(s) over one year old as determined by the batch number; no credit will be granted for product placed or stored in a bulk storage tank, mixed with other material or batches in a bulk storage tank or for any material not in original container. The terms in this warranty do not in any way extend to any product thereof covered by this agreement, which has a life, under normal usage, inherently shorter than the one-year period indicated above. Except as set forth expressly in writing herein, there are no other warranties express or implied in respect of any product.

No warranty of merchantability or fitness for purpose shall apply.

LIMITATION OF LIABILITY:

Under no circumstances shall we or any affiliate of ours have any liability whatsoever for loss of use or for any indirect or consequential damages.
